HIDE & SEEK

The image features a central teal oval containing the text "LickiMat®" in white. The background is composed of several overlapping plastic mats with a grid pattern, in colors of green, orange, blue, and grey. The green mat is in the top left, the orange mat is in the top right, the blue mat is in the bottom left, and the grey mat is in the bottom right. The mats are slightly offset from each other, creating a layered effect.

We thank you all for your sponsorship!

This is a special side class that will happen at every show. At the end of 2026 we will have our top 10 cats points added from each show. Expect great fun with lots of prizes with each show having a different outcome!

Round 1

This is the first round where all the entered cats go up against each other. This will be 2 cats unless you are the last ones and we have an odd number then it will be 3 cats with one winner.

Your cats number will be entered into a draw with the other cats that have entered. Drawing two numbers at random these cats will go head to head. The judge will then decide their winning cat, who will advance to the next round.

Round 2

This round will consist of all the winners from round one, again competing against each other. They will be drawn randomly again and compete against each other to go through to the next round.

Each round will continue unless we have an odd number, the last draw may consist of three cats with only one winner, but this is the luck of the draw.

Round 3 to Final

So as previously for round three you will have won in round two to compete again. These rounds will continue until we have our final round with our overall winner being announced.

Each round is at a quick fire pace, with the judge choosing from their heart, rather than type. Unlike the typical judging, the judge will not comment on their decisions.

However the last round the judge will give an explanation as they announce the final winner.

Prizes & Winners

If you are successful in making it to the last rounds then you will be issued points for your placement. You will gain a point for every cat you beat. The top cat will get an extra five points with the runner up receiving an extra two.

The leader board will be updated on the website with each show that we have. By the end of the show season we will announce the top ten cats and each will receive a small gift and rosette.

For this to be a great success we need you all to enter. The more entries we have, the more fun and prizes up for grabs!
